## AWARD CONDITIONS

### 1. Scope of Work

The Denali Commission (Commission) is providing a total of \$10,000 to the Northwest Arctic Borough (NWAB) for the sponsorship of the Northwest Arctic Regional Energy Summit to be held in Kotzebue, Alaska July 29, 30, and 31, 2008. The Conference will work to create solutions to the energy crisis that is among the Northwest Arctic Borough rural areas, strategizing to create local solutions.

The State of Alaska is facing a serious problem of sustaining basic infrastructure and cost of living within its most remote areas of the state. The Northwest Arctic Borough is expecting 40 to 50% increases in fuel prices for both unleaded and diesel fuel. This conference will focus on alternative solutions creating solutions for this energy crisis.

Total budget for the Northwest Arctic Regional Energy Summit is \$99,325 with the majority of costs providing 10 people from each community in the borough transportation to the summit creating regional solutions to this crisis. A total of 200 people are expected to attend.

Commission funds of \$10,000 for the Conference will provide some of the following:

- Support of proceedings travel for attendees in outlying communities to fly to Kotzebue (this does not include per diem, lodging or food)
- Room rental

Sponsorship of these events will further the Commissions mission of providing alternative-renewable energy ideas to this region. Benefits to the Commission include:

- Recognition in print publications and verbal recognition during the conference.
- An opportunity for a Denali Commission guest to address conference attendees.
- List of conference attendees with contact information

Commission funds for sponsorship can be used for: event space and equipment rentals for the actual event, event costs including video, audio and sound system rentals/services, travel of conference attendees (travel does not include food or lodging costs), event brochure printing or other event media needed for attendees. All activities that involve the work of consultants or contractors must be procured through fair and open procurement processes, in keeping with the Federal Circulars in order to be eligible Commission costs. Commission funds cannot be used for food or beverage of any kind, gifts, per diem of attendees or wages/salaries. Any questions regarding acceptable uses of funds should be directed to the program manager.

All Commission funding is intended for use for the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.
